2. Government Order No. C. 2419-33—C. O. 23-46-11, dated 20th February 1948, directing the abolition of the Civil Supplies Department with effect from 1st March 1948 and the transfer of control over H. P. P. Act, Yarn, Paper, Cement and Textiles to the Additional Director of Industries and Commerce, and Manure Dealers' Licensing Order to the Director of Food Supplies.

3. Government Order No. C. 2468—C. O. 13-47-4, dated 25th February 1948, directing that certain staff be continued for certain period for work relating to Civil Supplies.

4. Un-official Note No. 122—47-48, dated 25th May 1948, by the Public Service Commissioner, in the matter of providing places for the retrenched hands of the Food and Civil Supplies Departments.

ORDER No. E. 925-1005—R. & P. S. 69-47-2, DATED BANGALORE, THE 31ST JULY 1948.

Consequent upon the abolition of the Civil Supplies Department from 1st March 1948 very many officials are already or will be thrown out of employment and the question of providing suitable posts for the retrenched hands has been under the consideration of Government for sometime past. As some preference in employment has to be shown to such people, the following instructions are issued :—

1. The officials who held substantive posts in other departments and were working in the Food and Civil Supplies Departments, will revert on their substantive pay and those employed in Food and Civil Supplies Departments temporarily will be retrenched when their services are no longer required. The retrenched hands may seek employment as and when vacancies arise, as per Rules of Recruitment, they being shown preference, the other things being equal. But, those who were appointed in contravention of the Rules of Recruitment, cannot claim any preference over others. They should be treated as fresh candidates for purposes of recruitment.

2. The retrenched hands whose names have already been assigned to other Units, may be appointed according to the serial order in the approved lists. Those who were regularly appointed in the Food and Civil Supplies Departments either by inclusion of their names in the approved lists after advertisement as per rules, may be transferred to other Units and given the first chance of re-employment, Brahm candidates being appointed in general vacancies. Backward community retrenched hands who were temporarily appointed as per rules in the Civil and Food Supplies Units in special vacancies, irrespective of qualifications, for want of qualified Backward Community candidates, may be treated as regular candidates and preferred for appointment in other Units in the class for which they are qualified.

3. Those who are overaged or under qualified should apply for exemption as per rules. Those whose names have already been assigned or who have been regularly appointed after advertisement, need not be treated as overaged for purpose of recruitment to other Units.

4. The service rendered by those locally or irregularly appointed in the Food and Civil Supplies Departments, do not count for promotion or for determining age and seniority. Such retrenched hands should undergo the probationary period in their new Units as required by rules before confirmation.
